2 YEAR WARRANTY 

TURNKEY PRODUCT 

PERSONALIZATION OF SMART RECEPTOR TO YOUR NEEDS

Our modular device allows you to adapt it to your needs and wishes. You can upgrade the modules at any time. Smart Receptor is compatible with all disinfectants and, if necessary, with other harmless media. It includes a disinfectant mat, which prevents the spread of bacilli through footwear. Equipped with sound and light effects for monitoring. Easy to maintain.

PERSONAL IDENTIFICATION

Possible employee recognition, face-mask recognition and simultaneous body temperature measuring.

DIGITAL CONTROL

Possible remote monitoring via control system with performance analytics and connection into IoT.

MADE IN SLOVENIA, EU

The product is entirely made in Slovenia and was co-financed by the Republic of Slovenia and the European Regional Development Fund.
